Welcome to First Lobo Baptist Church
We trust that you will sense God's presence as we worship together this morning.

Thoughtful Living
Psalms 25:8-15

Are you living thoughtfully and intentionally--or automatically? It's so easy to get up each morning, do our work, enjoy some relaxation or entertainment, and fall into bed each night without giving any thought to God's involvement in our lives. But to be ignorant of how He has blessed, guided, protected, and warned us is a foolish way to live. Just consider the benefits of keeping our spiritual eyes and ears open throughout the day.

Those who are aware of the Lord's presence during their daily activities enjoy the peace of knowing that He is always in control and working to accomplish His good purposes. Every day's experiences with Him teach them to know and love Him more.

When we learn to see God's footprints in our days, we will become aware of the scope of His involvement in our lives. Maybe He strengthened you for a task or opened a door of opportunity. Perhaps He guided your decisions or helped you respond in a godly way to a difficult person.

If our ears are open to the Lord's warnings and instructions, we won't repeat the same mistakes again and again. But those who are deaf to His voice will continue in unhealthy thought patterns, negative emotions, and foolish responses.

Each night before you go to sleep, take some time to reflect on the day's activities. The Lord is constantly with you, guarding and guiding your way. He wants you to see Him in everything and understand life from His perspective as you rely on His wisdom and power to face any challenge.
