

FLBC pastor search

First Lobo Baptist Church near London Ontario is searching for a lead pastor to join the existing staff consisting of an associate pastor and director of ministries. The lead pastor position will focus on preaching and teaching from the pulpit with an emphasis on inspiring and challenging the congregation. Further opportunities for equipping and building the members will be anticipated through the week. We are looking for an individual who has experience in a multi-staff church and is equipped to function as a team player with our staff, the four elders and seven deacons and the congregation of about 180 members and adherents. The candidate who is called will be expected to live and be involved in the community, support the current outreach activities and take part in the various ministries at the church. In addition, he is to motivate and lead the staff and members to assist in the growth of the church and its role in the community through his vision and guidance.

We are looking for a humble man of God who is able to meet our congregation where they are and speak into their lives. He must be willing to relate to the breadth in age of our people who range from infants to their early nineties and whose faith runs from very early believers to those with a past history of world wide evangelism and outreach experience. The chosen candidate will demonstrate a commitment to reaching the lost for Jesus, be Spirit led, and show his love for the Lord and others in his daily walk.

Although we want biblically based preaching, the application to our daily lives must be a feature of the message each week. Applicants must have a strong evangelical focus with excellent communication skills. They must accept the core doctrine of the church and agree with our current vision statement: our commitment to our relationship with God , our dedication to undertaking the great commission and our promise to nurture one another.

First Lobo Baptist has been in existence on its current site for close to 200 years. The church has grown significantly in the last 10 years and expanded its facility with the opening of a new addition dedicated almost exclusively to children and young adults. The congregation is still very much a family despite the recent growth. Whoever the Lord leads to move into this new position will be tasked with trying to grow the family of God in this location through team building and relational efforts that involve the staff and those attending.

We are trusting the Lord to show us the person He has called to the position who may be someone outside the usual mold. So this posting is deliberately void of the usual caveats and list of qualifications . The search committee will process the applications of those who apply quickly and arrange for a video conference call with each one if at all possible. Submit your resume in pdf format in confidence to search@firstlobobaptist.com.
